FLORENT BRYMA

About Me

I'm a passionate web developer from Kosovo, driven by the desire to constantly learn and grow. With a solid foundation in coding, I aim to create innovative online experiences that leave a mark. Eager to embrace new challenges, I'm committed to pushing boundaries and contributing fresh perspectives to the world of web development.

EXPERIENCE

Front-end Developer
Softdome
2020 - 2023

During my time as a web developer at Softdome, I was immersed in a dynamic and innovative environment that constantly pushed me to excel. I worked on several projects like: Responsive Web Design, E-commerce Websites, Content Management Systems (CMS), Web Applications, Single Page Applications (SPAs), Progressive Web Apps (PWAs),

Back-end Developer Intern
Softdome
2019 - 2020

My internship as a backend developer at Softdome was a transformative journey into the world of software engineering. From day one, I was welcomed into a team of seasoned professionals who were dedicated to helping me grow and learn.
